Department of Civil Engineering

**NEWS LETTER
2025-26**

Principal Desk-

Dr. D. V. Ghewade

Principal

Message from Principal It gives me immense pleasure to learn that Department of Civil Engineering is bringing out News Letter-2025-26, in style. I place on record the efforts of all students and faculty members for their systematic collection and editing to publish this edition in a magnificent way. My congratulations to all students and faculty of the department.

HOD Desk-

Prof. A. S. Madakari
Head of Department

Dear Students, Faculty, Alumni, and Well-wishers, It gives me immense pleasure to present the annual newsletter for the Civil Engineering Department for the academic year 2025-26. This year has been one of remarkable growth, innovation, and collaboration. Our students and faculty have made strides in academic excellence, research, industry partnerships, and community development.

Let us walk you through some of the highlights that made this academic year memorable.

Institute Vision:-

“To provide best quality education in the field of Engineering and Technology to the aspirants and serve the nation through development of creative, scientific and trustworthy human asset.

Institute Mission:-

1. To meet engineering manpower needs for the social, techno-economical development of region and nation.
2. To contribute to the knowledge through research and development.
3. To imbibe habits of creativity and innovation to generate IPRs.
4. To inculcate noble values of ethics, morality, integrity and humanity.
5. To get the global accreditation for all courses.

Department Vision-

Commits to serve the society at large in the field of Civil Engineering with emphasis on value based state of the art technical knowledge, inculcating applied research, innovation and entrepreneurial skills.

Department Mission-

- 1) To strengthen our social relationship with all stakeholders for holistic development of mankind.
- 2) To mentor students for innovative thinking with relevance to entrepreneurship.
- 3) To endeavor for excellence in all facets of Civil Engineering.
- 4) To promote and undertake research relevant to the Civil Engineering Industry.

Program Educational Objectives (PEO)

PEO1: Attain the analytical expertise to create, analyse, formulate, and solve challenging problems in the field of Civil Engineering; and recognize and develop the necessary and suitable tools for the same.

PEO2: Develop technical and management flair to take responsibility for engineering projects and research programs significantly.

PEO3: Uncover multidisciplinary approach and co-relate engineering issues to social and human background in broader sense, in which their engineering helping hand will be utilized.

Program Specific Outcomes (PSO)

PSO1: Students will able to Conduct Road Survey and Land Survey by Using Auto Level and Total Station.

PSO2: Students will able to Determine the Detailed Estimate of Building and their Components as Per DSR.

Academic Highlights

Our Students Enlisted in Government Services

1. Miss. Amruta Krishnat Patil - Land Surveyor in the Bhumi Abhilekh Department
2. Mr. Prasad Kumbhar – State Tax Assistant, Government of Maharashtra

Final Year Project Showcase (2025-26)

Over 11 innovative projects were presented, including “An Experimental Study on Plastic Shrinkage Behavior of PPC Concrete & Its Control” and “Evaluation of Soil Stabilization Techniques For Rural Road Using Geosynthetic Reinforcement”.

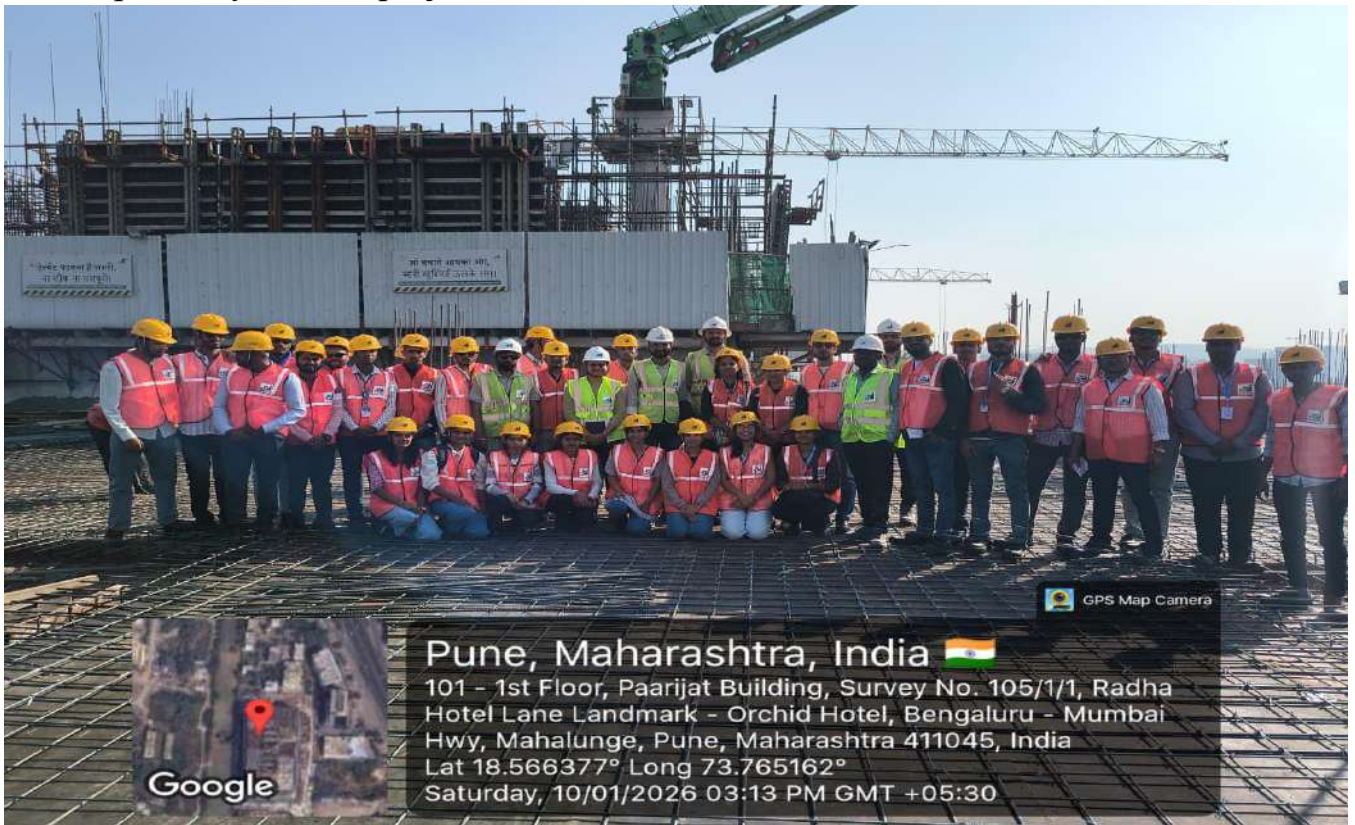

Departmental activities

Industrial Visits

1. Constro - International Exhibition and Convention Centre (PIECC), at Moshi Pune

2. 'Malpani-Aryabhata' project of SJ contracts at Baner, Pune.

Technical Events

Tech-Manthan 2k26

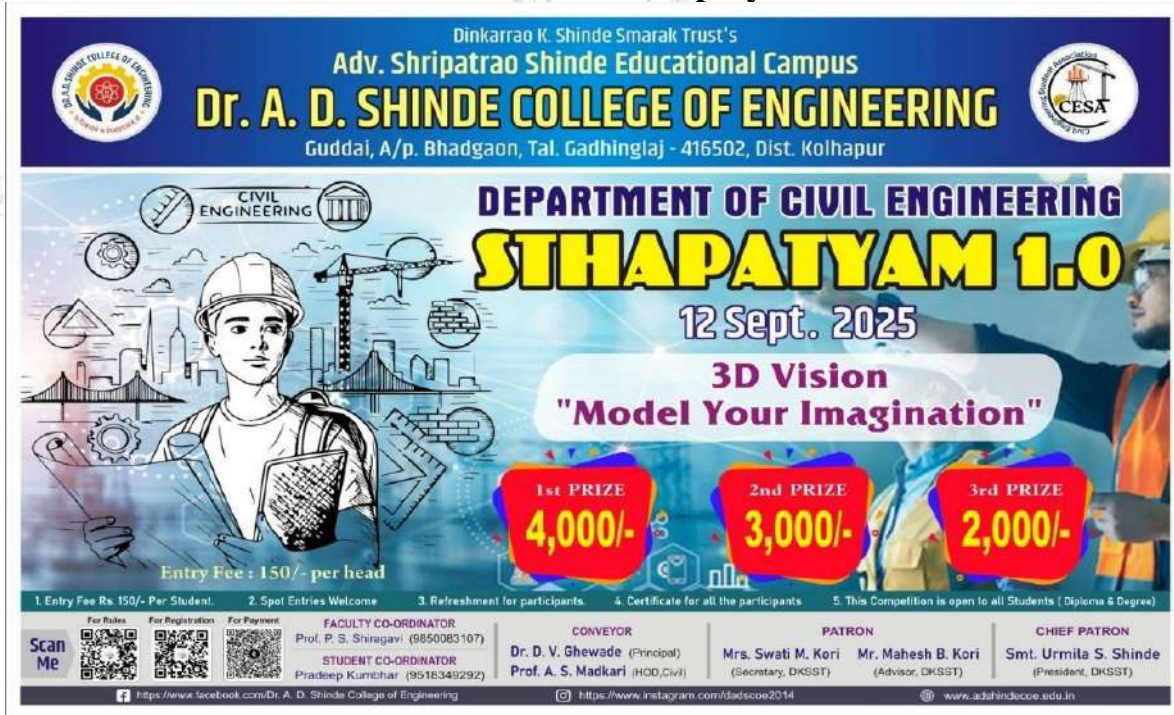

Event Name: Surveykshanam 2.0

Technical Events

STHAPATYAM 2k25

Event Name: Sthapatyam 1.0

The poster features a central illustration of a construction worker in a hard hat and safety vest, holding a tablet. The background is filled with technical drawings, gears, and construction elements. The text is arranged in a clear hierarchy, starting with the college name and event title, followed by the date and theme. Prizes are highlighted in red boxes, and the bottom section lists the organizing staff and contact information.

Students Achievements

1. Second year students secured Second prize in Tech-Manthan 2k26

Second Prize: Mr Sushant Patil & Mr Pankaj Jadhav

2. Second year students secured First and second prize in 'Sthapatyam 2k25'

First Prize: Ms. Akshata Kumbhar

Second Prize: Ms. Ms. Rutuja Joshi

About the Newsletter

DADSCOE, Department of Civil Engineering is proud to publish its NEWSLETTER 2025-26.

The objectives of this Newsletter are to keep our Students, Parents, Faculty and Industry in- formed about the activities happening in the Department. Through this half yearly publication, we hope to engage our various stakeholders in building the network among themselves. We hope you enjoy it!
